

2010 Ohio Airports Conference

April 12 & 13 - Columbus, Ohio

Dear Aviation Colleague:

The first annual combined Ohio Airports Conference will be held on April 12th and 13th in Columbus, Ohio. This will be the only airport conference held in Ohio this year, and will also host the annual meeting for the Ohio Aviation Association (previously held in October).

The FAA Airports District Office staff will be available to meet with airport sponsors on Monday April 12th between 11:00 and 5:00 at the Ohio Office of Aviation. Meeting times are limited. Those interested in meeting with the ODOT and ADO staff should contact Bea Meinke of the FAA at (734) 229-2903 to schedule an appointment. There will be a reception for conference vendors between 4:30 and 6:00 at the Holiday Inn Hotel Columbus - Worthington (the location of past conferences).

The main conference will be on Tuesday April 13th at the Holiday Inn. As usual, it will provide an excellent opportunity to network with your aviation and airport counterparts from across the great State of Ohio. Representatives of the ODOT Office of Aviation and the Federal Aviation Administration will be present to discuss issues of interest and concern to conference attendees. The FAA will be discussing Airport Sponsor Grant Assurances. In addition, we are hoping to have topics regarding liability insurance, relations with local news media, and economic development at airports, among others. Look for the final agenda within the next few weeks.

Our staff looks forward to providing you with an excellent networking opportunity, and I look forward to seeing you in April.

Doug Hammon, OAA President
